

Intersection of Griswold Street and Sunset Road

Proposed Intersection Improvement

Meeting on October 23, 2007 at 6:30 PM - At the intersection

Street
Street
Improvements
Improvements

The intersection of Griswold Street and Sunset Road is scheduled for drainage improvement work next spring. The work will include pipe connection and drainage structures relocation (Manhole, Catch Basin).

The City of Cambridge has received requests from residents to improve pedestrian safety on Griswold Street. City staff is working with residents to discuss possible physical changes that could be incorporated in this project. Please join to talk about the proposed changes.

Please attend the meeting or contact us with questions or comments. (see below)

Proposed Improvement

When: *Tuesday October 23 - 6:30 PM.*

Where: *At the intersection of Griswold Street and Sunset Road*

Come to the meeting to share your opinion about the proposed improvement. You may also contact Juan Avendano with your questions or comments.
